BCC: Retirees Eligible for Medicare B Reimbursement

Retiree Medicare Part B Reimbursement – Checks Mailed

The 2020 Medicare Part B Reimbursements were mailed last week to the retiree address on record. The checks were sent from our bank and will not be in a NYPA envelope. They are sometimes mistaken for junk mail – so look for mail from JPMorgan Chase.

Reimbursements were automatic for retirees who received a reimbursement check last year or new participants with their Medicare Part B card on file with NYPA.
